When applying, candidates must submit an **application file** containing the following documents:

- ✓ baccalaureate diploma and original transcript (graduates who took the baccalaureate exam in 2023 will submit instead of the diploma the certificate issued by the high school, stating the overall average obtained in the baccalaureate, the average obtained in the years of study, the term of validity and the fact that the diploma has not yet been issued);
- ✓ birth certificate, in original and copy;
- ✓ marriage certificate, in original and copy (in case of change of name) or other documents proving the change of name;
- ✓ copy of identity card or ID card;
- ✓ receipt for the application fee or proof of electronic payment of the fee;
- ✓ standard medical certificate issued by the doctor's surgery or family doctor;
- ✓ 3 passport/ID photos;
- ✓ application form (Annex 1);
- ✓ envelope file.

Successful candidates will be required to pay the first instalment of the tuition fee by the deadlines specified for first tranche, depending on the session in which they enrolled, in order to take up their place.

Professional training is carried out according to a curriculum in line with European standards. Recognition and equivalence of study programmes, in the country and abroad, is carried out through the

European Credit Transfer System, which contributes to a better balance of students' efforts by discipline, meets the requirements of student mobility and eliminates repetition.

### **The Second Cycle of studies - Master:**

#### **Application periods:**

- a) The First Session: 19 June - 15 July 2023;
- b) The Second Session: 17 July - 28 September 2023.

### **Admission criteria for The Second Cycle**

Admission to the Master's cycle is based on the average of grades obtained in the Bachelor's exam. The ranking of candidates with the same admission average and who exceed the number of places will be based on the overall weighted average of the years of study.
